

HONG KONG INTERNET REGISTRATION CORPORATION LIMITED

Hong Kong Internet Registration Corporation Limited (HKIRC) is a non-profit and non-statutory corporation responsible for the overall administration of “.hk” domain name system, a critical internet infrastructure in Hong Kong. HKIRC is also responsible for the cooperation with local and international bodies on issues relating to the development and administration of internet domain name systems. We are looking for highly motivated, responsible, independent and proactive candidates for the post of:

Database Administrator (Oracle DBA)

Responsibilities:

- Work in the IT infrastructure team to manage the daily operation of HKIRC’s system and databases
- Participate in infrastructure security review
- Perform daily system monitoring and operation tasks, assist system administration, planning and technology evolution
- Provide technical support to internal users and external partners
- Undertake database infrastructure enhancements in-house and with outsourced vendors
- Set up and conduct proof-of-concept testing and evaluation on test-beds for assessing new technology, technical standards and products
- Maintain documentation and develop reports for system implementation and infrastructure changes

Requirements:

- Degree holder in Computer Science, Computer Engineering, or equivalent
- At least 3 years of experience in database support in an ISP, web hosting, network operator or system integrator environment.
- Proficiency and knowledge in Linux platforms
- Administration skills on Linux servers with Database Replication, Database/System Backup Software, Oracle12c RAC, MySQL
- Experience and skills in liaison with third-party vendors and counterparts
- Experience with Information Security Management System framework would be an advantage
- Excellent skills in incident, problem, change and configuration management
- Willing to learn and keep in pace with latest and emerging technologies
- Good communication and interpersonal skills
- Immediate availability preferred

Shuttle buses routes from Tai Wai, Mei Foo, Kowloon Tong, Lam Tin, Hang Hau and Sheung Wan to Cyberport are available

Attractive remuneration and fringe benefits will be offered to the right candidates. Interested parties please send Resume with Expected Salary (a must) to the Executive Officer at Unit 501, Level 5, Core C, Cyberport 3, 100 Cyberport Road, Hong Kong or email to: recruit@hkirc.hk.

The employment agreement will be made with Hong Kong Domain Name registration Company Limited which is a wholly owned subsidiary of HKIRC. Welcome to visit our company web-site www.hkirc.hk for more information.

We are an equal opportunity employer. Personal data provided by job applicants will be used strictly in accordance with the company's notice to employees and prospective employees relating to the Personal Data (Privacy) Ordinance.
