We, \_\_\_\_\_  
[full name of beneficial owner], the current beneficial owner of the above domain name ("Domain Name"), write to confirm that we agree to transfer the registration of the Domain Name to \_\_\_\_\_

[full name of Transferee], the Transferee resided in \_\_\_\_\_ (name of country and state if appropriate).

We understand that the transfer is subject to the Transferee’s Transfer Application being accepted by HKDNR and any outstanding fees due to HKDNR by the Registrant or Transferee being paid. We understand that once the transfer is completed, our rights and obligations derived from this Domain Name’s registration shall be transferred to the Transferee. For the avoidance of doubt, we will not assign the Domain Name’s rights and obligations by other means or procedures. We understand that any other attempt by us to assign any of the Domain Name’s rights or any attempt by our creditors to obtain an interest in the Domain Name’s rights shall not be recognized by HKDNR and may render our Domain Name registration voidable at the HKDNR’s sole discretion.

We warrant and undertake that:

1. we are the beneficial owner of the Domain Name, having acquired all rights to the Domain Name from the Registrant;
2. we have full authority and are free to enter into this letter of agreement and are not under any restriction or prohibition which might prevent us from performing or observing any of our obligations and warranties under this letter of agreement;

3. we have not entered into any arrangement which may conflict with this letter of agreement; and

Once the transfer is completed, the paired Chinese domain name (e.g. your CDN.hk is also transferred if you transfer the CDN.香港) and bundled domain name will also be transferred to the same transferee.

Yours sincerely,
